

Spec MX-5

CHALLENGE SERIES

The 2019 Spec MX-5 Race Car

The Series

The Spec MX-5 Challenge is the pro racing series for NC-generation Mazda MX-5s. The Challenge is a true spec series, running to the Spec MX-5 Challenge rule set and Spec MX-5 technical formula.

New Spec MX-5 Builds

New race cars are available from the series-approved builders Winding Road Racing and Atlanta Speedwerks. Cars will be built to order, including optional equipment and design as specified by the buyer. Specifications are shown below.

Donor

A clean donor, usually from 2009-2014, will be used. Attention will be paid to condition as well as presence of spec-required components. Important worn or damaged parts will be replaced.

Engine Bay

- Mazda MZR engine with upgraded valve springs
- Mazdaspeed cold air intake
- Mazdaspeed header
- Mazdaspeed exhaust
- Custom ECU tune
- Koyorad radiator
- Mazdaspeed oil cooler

Drivetrain

- 6 speed transmission with Spec MX-5 ratios
- Spec MX-5 bushing kit
- ACT Mazdaspeed clutch and pressure plate
- Limited slip differential
- Differential brace

Suspension

- Spec MX-5 dampers
- Mazdaspeed springs
- Mazdaspeed sway bars
- Mazdaspeed hubs and bearings
